To Whom It May Concern,

RE Jones Service Line Brass Products

This will certify Jones service brass is manufactured and tested in compliance with the latest revision of AWWA C800. All Ball Valves are tested using air under water prior to shipping.

Jones service brass is made in accordance with the latest revision of the Federal Safe Drinking Water Act effective January 4th 2014 and is certified to NSF. All material that comes in contact with potable water is lead free / no lead.

Sincerely,

Larry Aulich
Senior Product Manager
Jones
